

**SPECIAL DINNER EVENT -Thursday, June 4, 2015**

On June 4th the aace Montreal Section cordially invites you to a special dinner event at the OMNI Mount Royal Hotel with guest speaker **Martin Darley**. FRICS CCP, President AACE International 2014 – 2015. RSVP

**Keynote: Building an Owner’s Project Controls Capability**

**Guest Speaker: Martin Darley**, President AACE International

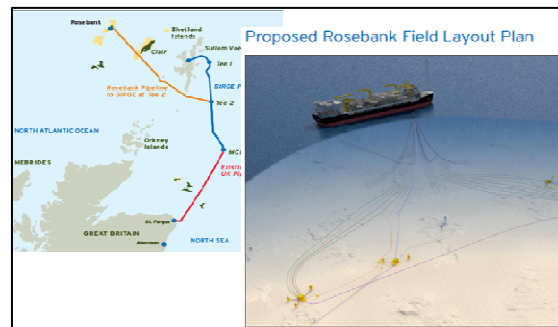

Martin has been a member of AACE since relocating to the US in 2001 and obtained the Certified Cost Professional (CCP) in 2005. He is a Fellow of RICS and served on RICS Americas Board (2002-2006). He has served the Association as Director-Region 5 (2009-2011), VP Administration (2011-2012), and President-Elect (2013). He is active with AACE’s Houston Gulf Coast Section holding several leadership positions including President.

Martin holds Chartered Quantity Surveyor and Chartered Project Manager qualifications and studied at College of Estate Management, Reading (UK), holds a diploma in Business Excellence from Newcastle College (UK) and is a Certified Value Manager from Herriot-Watt University, Edinburgh (UK). Martin is the Cost Engineering and Project Services Manager for Chevron’s PRC (Project Resource Company) on the Rosebank FPSO project. Martin lives and works in Texas.

**Presentation Highlights:**

- **Project Controls in the Oil & Gas Industry**
- **The Owner’s perspective**
